# 1982-83 Seniors

# Class of 1983!

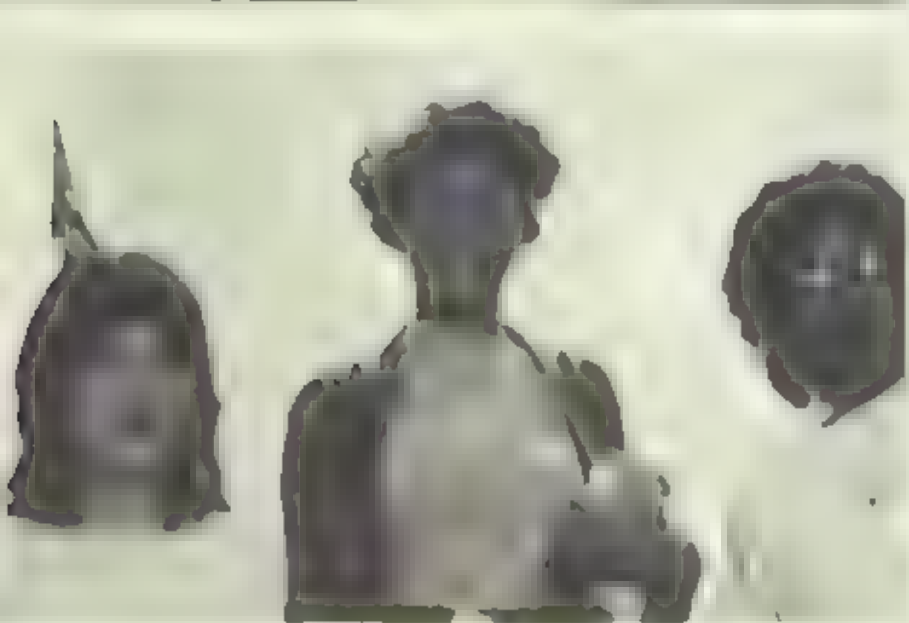

## Barter

Life has loveliness to sell,  
All beautiful and splendid  
things,  
Blue waves whitened on a cliff,  
Soaring fire that sways and  
sings,  
And children's faces looking up  
Holding wonder like a cup...  
Spend all you have for  
loveliness,

Buy it and never count the  
cost;  
For one white singing hour of  
peace  
Count many a year of strife  
well lost,  
And for a breath of ecstasy  
Give all you have been, or  
could be.

— Sara Teasdale

## Outstanding Seniors

This year's Senior Class Vice President Paula Rush was also voted Central's Homecoming Queen, an event she says she will never forget. Paula has been a member of Central's newspaper staff and the French Club. Paula has been a cheerleader and majorette and has had a role in Student Council and senior class activities as class vice president. Paula believes that computers are "the basic element of technology" and hopes to someday own her own computer company.

National Honor Society President Mark Woodmansee has actively taken part in many facets of school life. A member of the Film Society and Mu Alpha Theta, Mark is also co-captain of Central's baseball team. Last summer, Mark represented Central High School at Boys' State. He plans to major in pre-med at either Vanderbilt University or Southern Methodist University. In the future, Mark hopes to be an anesthesiologist or an orthopedist.

"No bird soars too high if he  
soars with his own wings."

— William Blake

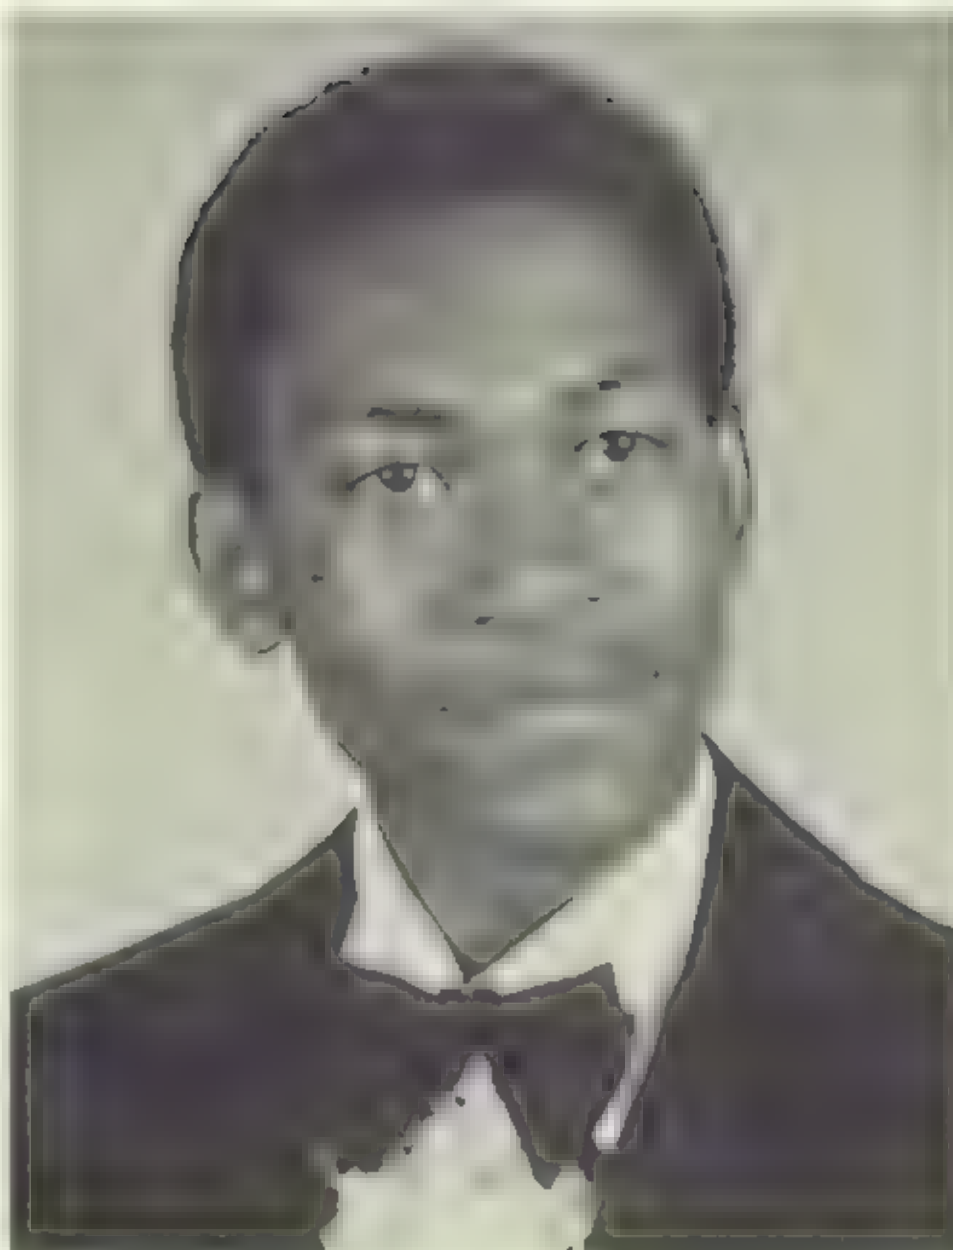

# Outstanding Seniors

A popular face at Central, Antonio Tillis was elected Student Council president and president of the Spanish Club. Antonio has been a consistent participant and a consistent winner in regional Spanish contests, and he is presently vice president of the city-wide organization of Student Councils. A member of the National Honor Society, Youth in Government, and the Boys' Key Club, Antonio has big plans for the future. His three goals in life are to be a fluent speaker of the Spanish language, to be employed by an international firm as its corporate attorney in a Spanish-speaking country, and to be happily married

"Hitch your wagon to a star" —  
— Ralph Waldo Emerson

Judy van Heiningen is known as the spirited gymnast during Central's pep rallies. This year's assistant commissioner-at-large, Judy is a member of the National Honor Society, Mu Alpha Theta, and the German Club. Judy plans to attend the University of Florida and major in some phase of biology. She would like to do research on the human body and make a discovery that will benefit mankind

"What a piece of work is a man  
how noble in reason, how infinite  
in faculties, in form and moving  
how express and admirable"

"Hamlet" — William Shakespeare

## Outstanding Seniors

Elected this year's Senior Class President, Rhodes Sulcer's political career has just begun. In the future, he sees himself as a successful Congressman. A member of the Student Council, the National Honor Society, the Order of the Redman, and a participant at Boys' State last summer, Rhodes hopes to attend either Southern Methodist University or Vanderbilt University and major in economics and political science.

"The only reward of virtue is virtue; the only way to have a friend is to be one."

— Ralph Waldo Emerson

Ida Jones, Girls' Vice President of the Student Council, has proven her devotion to Central by participating in many school activities, among which are the National Honor Society, Mu Alpha Theta, and Youth in Government. A member of Central's basketball and track teams, she also participated in Girls' State. Ida plans to get a degree in chemical engineering and someday become the executive director of a chemical corporation.

"The law of the Lord is perfect, converting the soul: the testimony of the Lord is sure, making wise the simple."

— Psalm 19:7

# Outstanding Seniors

Rebecca Hicks is best known for her superior performance in Latin. She was named Summa Cum Laude in the National Latin Exam and has also been awarded a title of distinction in the Memphis State Latin Competition. Last year at the Tennessee Junior Classical League convention, Rebecca received a third place award. At Central she is an active member of the National Honor Society and Mu Alpha Theta. Rebecca plans to attend Christian Brothers College and major in pre-med.

"I wish I could promise to lie  
in the night  
And think of an orchard's arboreal  
plight  
When slowly (and nobody comes  
with a light)  
Its heart sinks lower under the sod.  
But something has to be left to God."  
— Robert Frost

Noland Walker, Student Council Boys' vice president, has been active in both athletic and academic fields. A member of Central's National Honor Society chapter and the football team, Noland plans to attend Howard University to study broadcast journalism.

We have reason to be proud of our Boys' Varsity Basketball Team. For the past two consecutive years, they have won the State Championship title in different classifications. In 1981, they won the AA state championship title and last year in 1982 they won the Boys' AAA state championship title. This year's team has worked hard. Keep up the good work!

## *From the President:*

As we Seniors begin to prepare for graduation, we must look back on all the activities and involvements that have shaped our high school memories. One outstanding activity in my mind has been my participation in Les Dames Jolies. I feel that it is important for girls to identify themselves with a group that shares a common pursuit of community and school involvement, scholastic excellence, and moral virtues; Les Dames Jolies is such a group of girls. It is my hope that the organization will continue to strive for these goals for they are the foundation of society and we must use them to form the foundation of our futures.

# The Gents

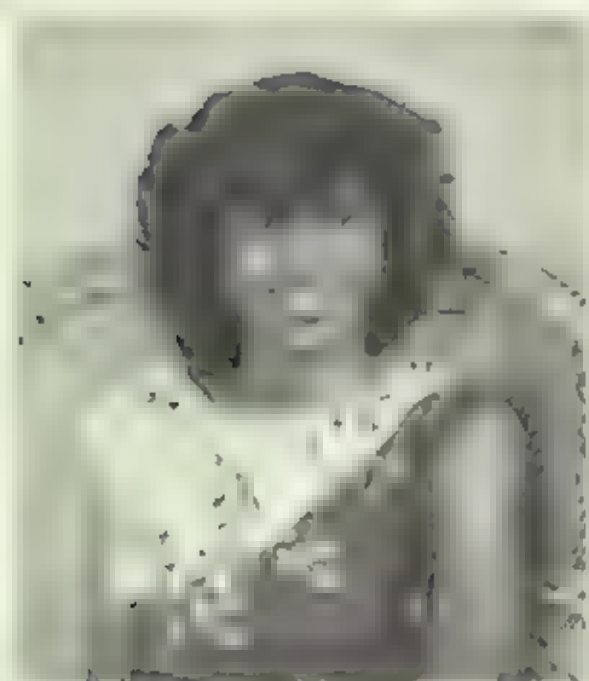

## SENIORS

Front Row: Cliff Deberry, Noland Walker, Phirando Ward, Kevin Dearles, Antonio T. Is. Back Row: Antonio Leath, Errol Herenton, Kenneth Williams, Patrick Dandridge, George Tuggie, Kevin Tabor, Kenneth Cole, Ronald Webster, Jeff Nesun, Raymond Short, Kevin Henderson, Kevin Perry, Alfred Milan, Jr.

The time draws near for the crossing of another Era of Gents. We leave you with the full burden and responsibility of carrying the torch. It has been made a symbol of leadership, respect, valor and strength. Hold these dear and the Gents will endure the test of time.

We, the members of the gents, do say we are proud to have attended, served in, and received the precious gift of education from Central High.

We wish the utmost success and the eternal grace of God to our departing Seniors.

From the President

To the remaining members and newly initiated members, I stress academic excellence and participation in school related activity. The Gents bring us together as brothers, but it is not the all important thing in Life. Learn to give to the community and school that has given to you so much. Live up to the standards of leadership, scholarship, strength, and valor that we profess. Without them we are nothing.

Yours truly,  
Noland Walker  
(President)
